Synopsys TCAD
Training Workshop

ANFF
DESIGN HOUSE

An intensive workshop on the Synopsys TCAD software suite is confirmed for November. Dates and details can be found below:

Date: Monday 14th November & Tuesday 15th November
Location: Monash University, Clayton (Melbourne) VIC
Venue: Room 147, 14 Rainforest Walk, Building 26, Monash University - Clayton Campus

This intensive two-day workshop showcases the comprehensive suite of products offered in Synopsys' TCAD. This includes industry leading process and device simulation tools, as well as a powerful GUI-driven simulation environment for managing simulation tasks and analysing simulation results. In this training, a basic introduction of TCAD concepts and tool usage will be covered as well as:

- ❖ Sentaurus framework
- ❖ Structure editor
- ❖ Process simulation
- ❖ Device simulation
- ❖ Sentaurus visualization
- ❖ Case Study - 180nm CMOS design

For more information on the programs, and training sessions, **visit:** http://www.anff.org.au/anff-design-house.html |To register or find out more, please email Design House Coordinator, **Shan Don** at shan.don@monash.edu
